

TransferWise

Този документ описва необходимите стъпки за дарение чрез Transferwise

Стъпка 1 – отивам на www.transferwise.com и натискам Register

The screenshot shows the TransferWise website interface. At the top, there is a navigation bar with the TransferWise logo, menu items for 'Money transfer', 'Borderless account', 'Business', 'Help', 'EN', 'Log in', and a highlighted 'Register' button. The main content area features a large heading: 'A cheaper, faster way to send money abroad.' Below this, it states 'Join over 6 million people and businesses who get a better deal when they send money with the real exchange rate.' A button labeled 'See what we're all about' is present. On the right side, a calculator shows a transaction: 'You send 1,000 USD', 'See calculation', '9.02 USD Total fees', '0.916500 Guaranteed rate (34 hrs)', 'Recipient gets 908.23 EUR'. Below the calculator, it says 'You could save vs banks 24.68 USD' and 'Should arrive by February 13th'. There are two buttons: 'Compare price' and 'Get started'. At the bottom left, there are two sections: 'Millions of happy customers See what they have to say >' and 'Is TransferWise safe? Yes, here's why >'.
